Chapter 1 by Glitch

Lilli, a girl with red hair and a badass attitude. She knew how to get thing, work around things, and not get caught. The one time she did get caught they say she moved to Italy and came back when she was proclaimed dead. Or that's what the rumors said.

The rumors don't tell about who died or why. They don't dare tell about her family.

That's why we have a story, plait pages filled with word after word to explain the tales of legends or myths.

This one has blood, death, and in this story there is no such word as mercy.
